Matt/Mita – I'll be on leave on Thursday (actually starting tomorrow afternoon) and will not be on the Thursday call. Since this is 60+ pages long I'm hoping one of your attorneys will get the Program's take on the BiOp and provide me a condensed update? Not right away, of course.

Mary,

I just learned that we received the BiOp from USFW. For your information, I have attached a copy. We are in the process of reviewing and have been asked to have comments back to the Service by 10/23. We have shared a copy with HQ and the team will be working together to provide the requested comments.

Following up on our senior staff call today, the bi-weekly call with HQ is scheduled for this Thursday at 3. We will be using the Agenda developed last week which generally covers the topics we discussed with you last Thursday. Please let me know if you need more information.

Thanks
Jeaneanne
